THE TRADE IN CHICAGO.

Chicago, Sept. 6 (Special).-The wheat news and down within a range of less than a cent. and closing easier for September, but at about tember opened at 62% cents, sold between 62% cents, and closed at 60% cents, which was 1/4 to M cent over Saturday. May closed at 62% cents. eash at Minneapolis and Duluth. There were arge Northwestern receipts, 2,880 cars for the three days, against 1,830 for the same period last year. Cash wheat at Minneapolis and Dumated the wheat crop at about 700,000,000 ceipts up there, with good weather, for at least ninety days. The world's shipments, 4,887,000 bushels, were about half the total last year. There was a decrease on passage of 1,520,000 bushels, and there was a decrease in the English visible of \$00,000 bushels. Minneapolis reported Armour a buyer of cash up there, and the crowd thought he was a seller of September

Frost in the Northwest, while not extending seriously into the corn belt, started a scare sold between 30% and 31 cents, and closed at 04, to 30% cents. Receipts for three days, 1,036 cars, were not considered large. The estimate for Wednesday was 830 cars. The visible increased 324,000 bushels; the local stock increased 1,64,000 bushels. The forecast for Wednesday was for frost as far south as Kansas, but the prediction was that these frosts would be light. There was a big trade, but it was The country took little part. Every one assumes that the outcome depends on to-night's frosts. If they should prove severe, the market would bull; and if light, the danger is probahly over for the season.

Oats held their own from sympathy with corn. Last prices were about the same as Saturday's. The corn advance just about offset large receipts of oats, 1,063 cars, with 500 estimated for Wednesday. The visible increased 941,000; the local stock, 569,000, increased 51,000 bushels. Charters were made for 190,000 bushels. September sold at 19% cents and at 19% cents, and closed at 19% @19% cents. May closed at 22

Provisions were weak, pork off 12% to 20 cents; lard off about 25 cents; ribs off 15 to 20 cents. Yellow fever south is creating more and more alarm. Alabama has quarantined New Orleans. Just a year ago the last alarm started. No one is attempting any support to prices. Some important packers are selling. Armour is supposed to have sold January to-day. The Cudahys are believed to be taking the short side on lard. There were 18,000 hogs, with 27,000 extimated for Wednesday.

On the curb puts on December wheat closed

at 60% cents, calls at 61% cents. Puts on December corn, 30% to 30% cents; calls, 31% cents.
